Disabled: follow blue routes as for Members Car Park.
Vintage Tractors: follow green Livestock Route and enter at Gate 4.

GOING HOME from MORETON SHOW

Cars, Horses and Trade vehicles should generally return by the route on which they came **EXCEPT LIVESTOCK VEHICLES** which should follow the **green routes** shown and not use Dorn Lane which will carry heavy traffic in the opposite direction. Batsford Road will be closed during the Exit period to lessen the load on the A429/Batsford Road junction and prevent long queues there and on the Fosseway. Cars parked in the Cricket Park should also follow the green routes.

VINTAGE TRACTORS: if leaving at 4.00 pm follow green Livestock Route; if leaving at/after 6.00 pm follow any route except Dorn Lane but, where possible, avoid A429/Batsford Road junction as very slow and congested.
